FEATURES AND BENEFITS

KEY FEATURES

Unique User Interface

THE BENEFITS

Simple to Use

Sonic PDF Creator's unique user interface lets users clearly decide between whether to create a regular or secure PDF.

Create PDFs from virtually any Windows Program

Complete Solution

Sonic PDF Creator 3.0 can create PDFs from over 300 Windows applications. If it can be printed, it can be created as a PDF.

Secure Your PDF

Peace of Mind

Select two advanced types of encryption methods when creating PDFs and be sure that your PDFs are secure.

Specify PDF Properties

Flexibility

Set passwords to determine who views your PDFs. Prevent access to printing, viewing, data extraction and more.

Convert PDF to Text

Extraction Capabilities

Sonic PDF Creator users can extract PDF data into Text (.txt) format.

Value Added Features

PDF Repurposing

Great added value features that let you do more with your PDFs, including: adding watermarks and bookmarks, merging and splitting PDFs, batch PDF conversion and more.
